

RAPIDE

Designer: Martin Saar, 2014

EST

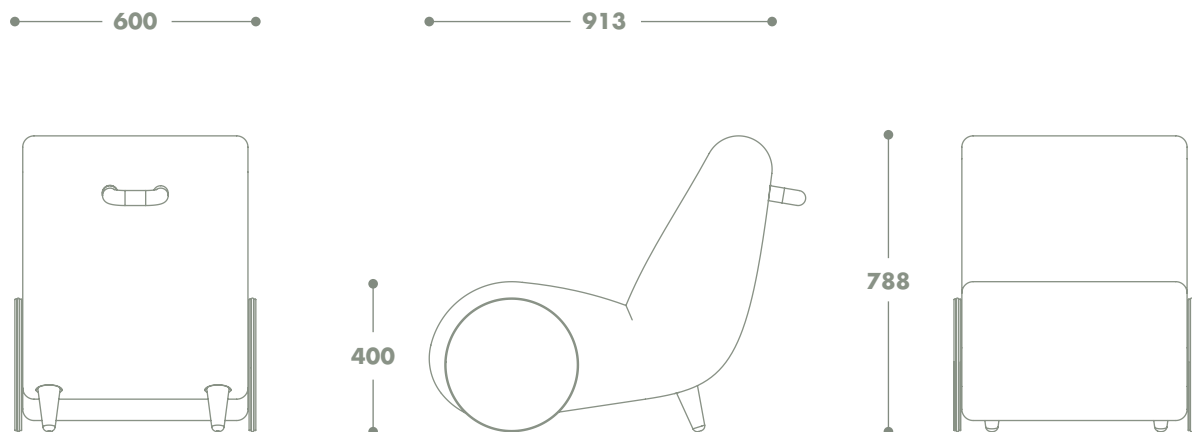

Rapide on tugitool, mis põimib kuldaja vormi ning tänapäeval vajaliku funktsionaalsuse. Tema detailid, mis on inspireeritud klassikalisest kärust, teevad tooli ruumis hõlpsasti ümberpaigutuvaks ning annavad inimesel mugava võimaluse istumiseks seal, kus ta soovib. Rapide-i suured rattad, käepide ning soe olemus, teevad temast ideaalse tooli, mis sobitud nii avalikku kui ka kodusesse interjöörü. Tooli kiirustav, kuid istuma kutsuv olemus, pakub mugavat tuge.

ENG

Rapide is a lounge chair that mixes the forms of the golden age with the much needed today`s functionality. Its details, inspired by a wheelbarrow, give it the ability to be comfortably moved around wherever one would like to take a break. Rapide`s wooden legs, oversized wheels and handle enhance its warm presence making it a chair that perfectly translates from public to domestic interior. Its racing yet inviting character offers high level of comfort and relaxed posture.
