

MÜRK 29

Valminud mai 2018

Flaieri kujundus tehtud pidudesarja MÜRK 29. peole.

Igal Mürki flaieril on oma temaatika. Tihti on kujundustes kujutatud minu jaoks nostalgilisi teemasid.

Seekordne kujundus oli inspireeritud 2000. algusaastate *hacker* filmidest.

MÜRK 29

Completed in may 2018

Flyer design done for party series
MÜRK 29th party.

Every MÜRK flyer has it's own theme.
Usually the designs include things that
feel nostalgic to me.

This time the design was inspired by
hacker movies from the beginning years
of 21th century.
