

MADE

Client — University of Tartu Viljandi Culture Academy

Project Date — 2019 – 2020

For the University of Tartu Viljandi Culture Academy's music showcase event series MADE, I used images of the performers from previous showcases. The design is kept as clean as possible to focus on the performer.

TÜ Viljandi kultuuriakadeemia kontsertsarja MADE jaoks kasutasin pilte kontsertsarja eelmistel üritustel esinenud artistidest. Kontsertsarja disaini hoidsin võimalikult puhtana, et hoida fookust artistil.
