

A revolutionary student hotel chain that has as plan to conquer the world with modern smart facilities where students can meet other students all over the world, experience student life in full, study, work, eat-play-love and eventually sleep.

**The
WEB.**

Challenge.

To design a webpage that is edgy for students all over the world but is also trustworthy for their parents.

The ones who actually pay for it.

We are hotel and yes, we are Republik!

WELL-WELL

**A place to live your student life
in full, make a lot of friends and
have as much fun as you really
wish.**

**Study in an inspiring
atmosphere**

...or whatever

**Get a lot of friends,
some enemies and an
experience you'll
never forget**

...enemies not included

**Your cosy room
provides all the peace
and silence**

...not so silent elsewhere

The Experience

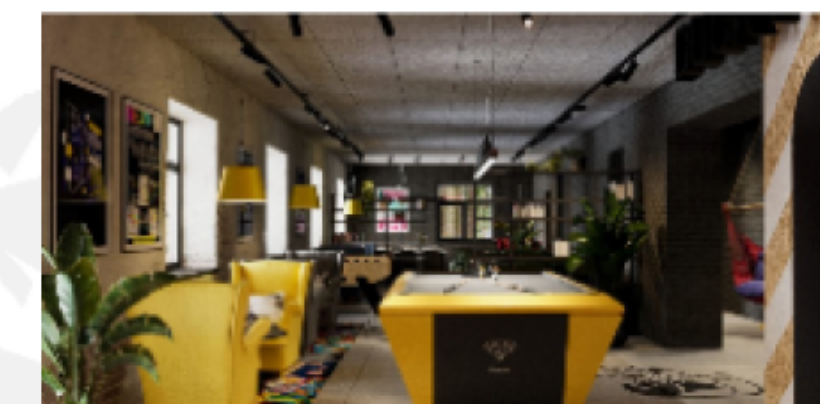

Manuel

10/10 best service! I had a wonderful experience staying at student hotel in Riga on my Erasmus semester. It exceeded my expectations. I was impressed with the quality of the rooms, the services they provide. He organised events as well as super fast response time from the manager and employees there.

**As any ambitious young
republic, we'll plan to
conquer more locations.
The second republik will
be already opened in
2021!**

...to conquer with love and love only

Single and shared rooms in a fresh and modern student accommodation.

Co-studying areas to discuss about hot topics and controversial ideas.

Fast Wi-Fi covers all your other basic needs.

1 / 3

Study in an inspiring atmosphere

Duck Republik is made for studying. You have always the possibility to self-isolate yourself to your room and focus on studying by yourself. But the true inspiring atmosphere comes to life when you join other ducks at co-areas where you can debate, argue
