

# REWASTE

## PROBLEM

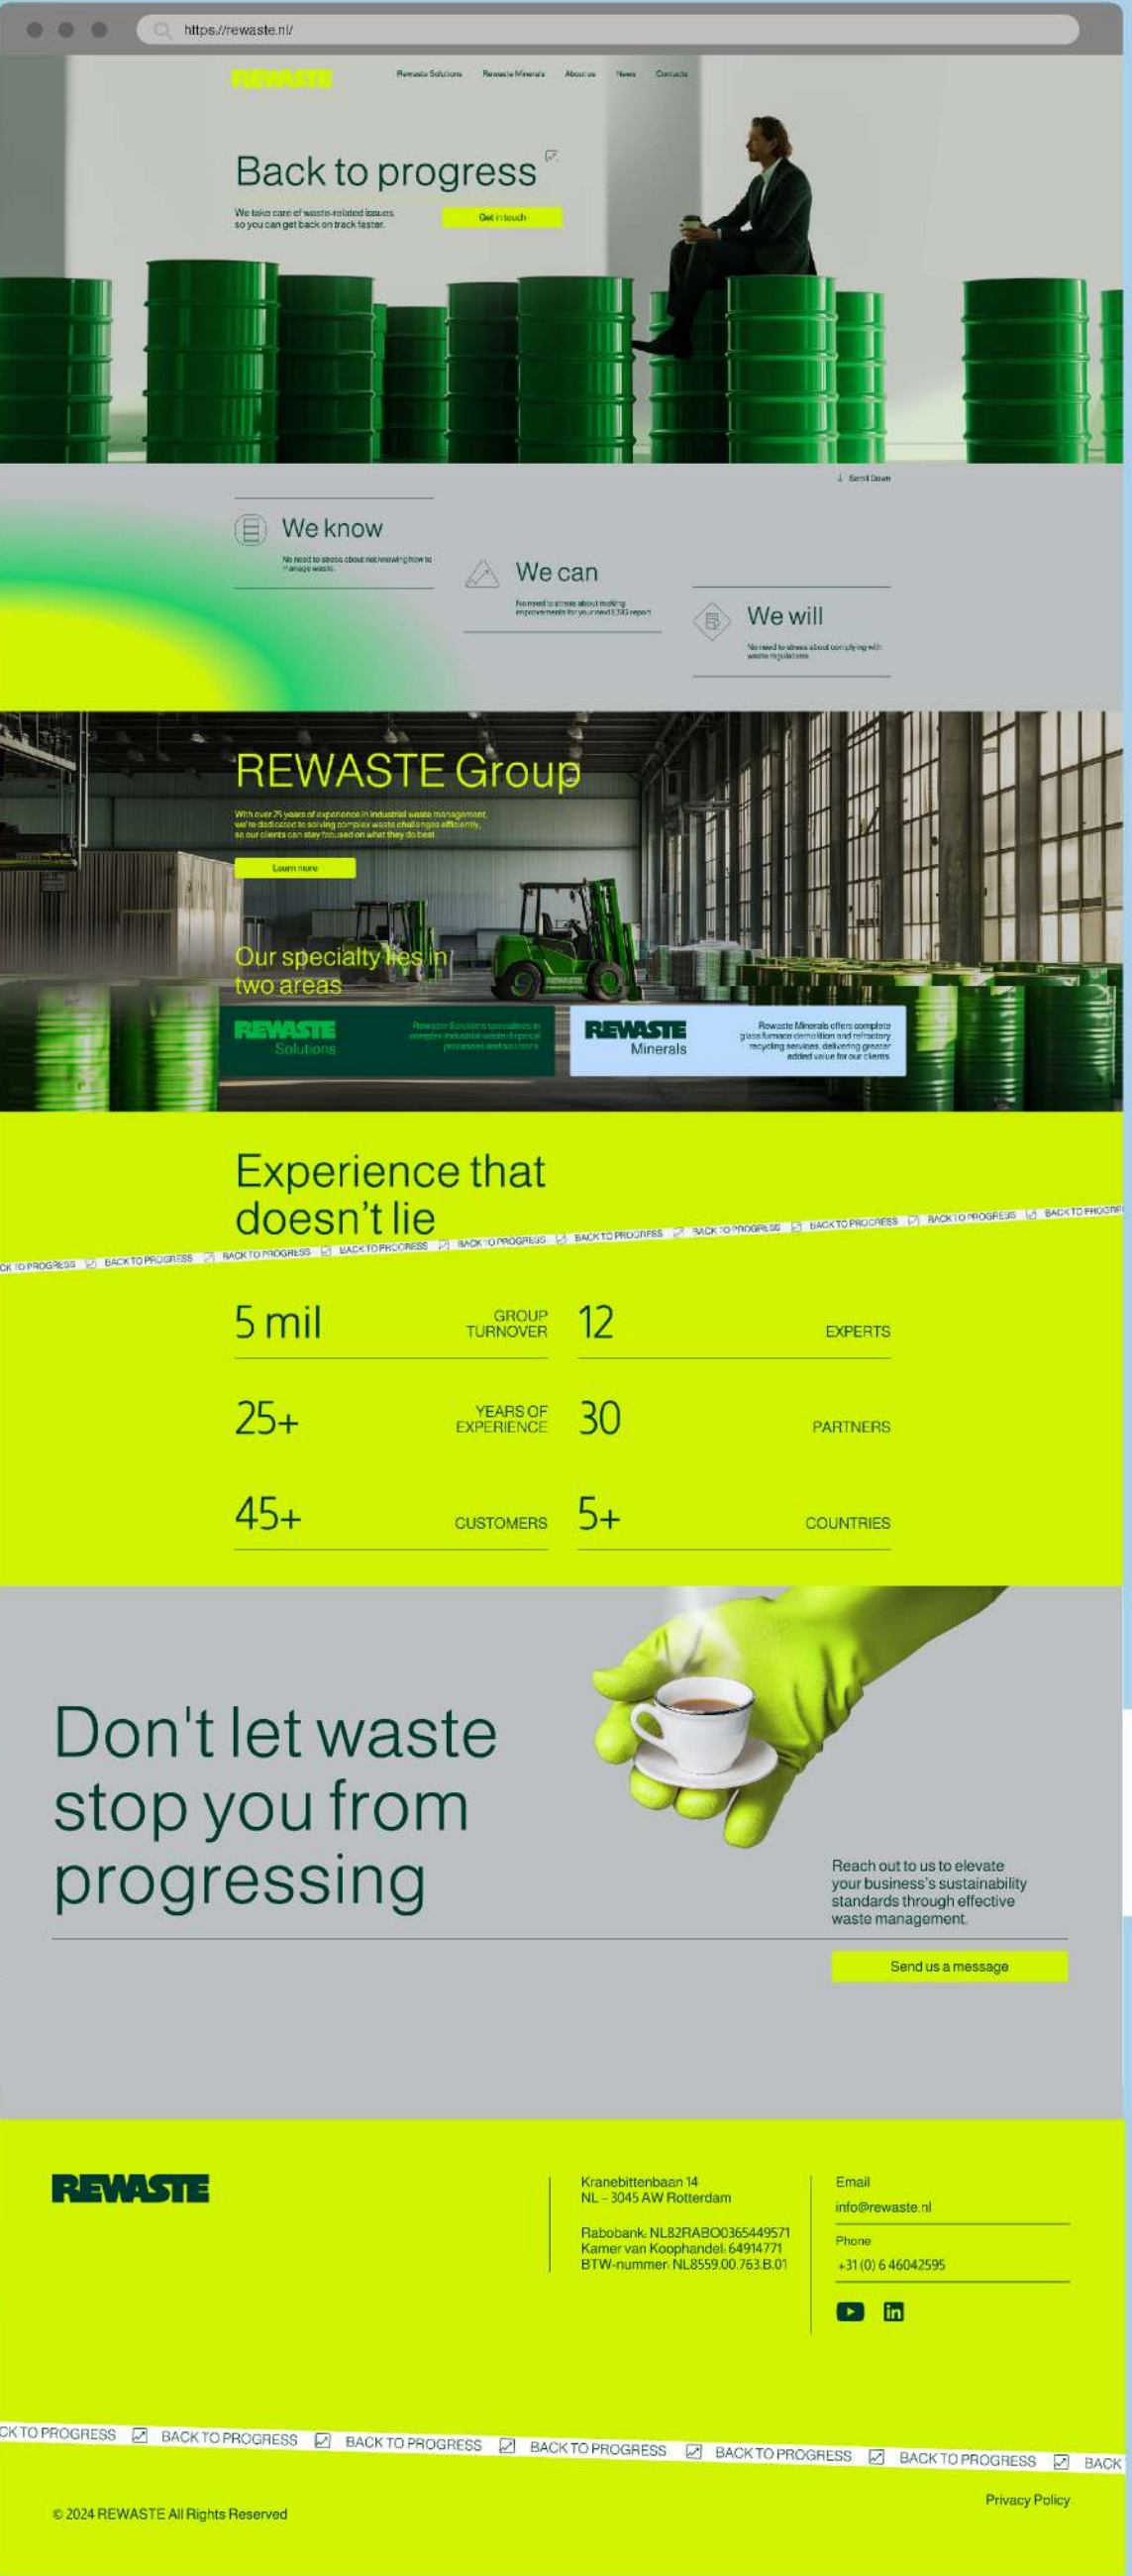

Waste: the messy byproduct of progress no one wants to deal with. It piles up – literally and metaphorically – until it blocks momentum.

## CONCEPT

We get waste, so you can get BACK TO PROGRESS. From hazardous to hard-to-handle, we turn your toughest waste problems into clean wins. You relax. We get dirty.

PROGRESS  BACK TO PROGRESS  BACK TO PROGRESS  BACK TO PROGRESS  BACK TO PROGRESS

You call it a  
waste crisis.  
We call it another  
day at work.

**REWASTE**

Keep calm.  
We already see three  
ways to solve this.

# REWASTE

What seemed a  
nightmare,  
turned out to be  
an easy walk in  
the park

All you need to know  
about waste is our  
phone number

We help eliminate all  
waste-related stress  
and technical issues

Sit down and relax  
while we turn a pile of  
waste into excellent  
ESG scores

Keep calm.  
We already see  
three ways to  
solve this.
